

PEP Survey Outcomes

Spring 2026

The following Prison Education Project survey data is from a course in that was taught during the 2026 Summer Semester. At the completion of the course, in-custody students were given post course surveys to complete.

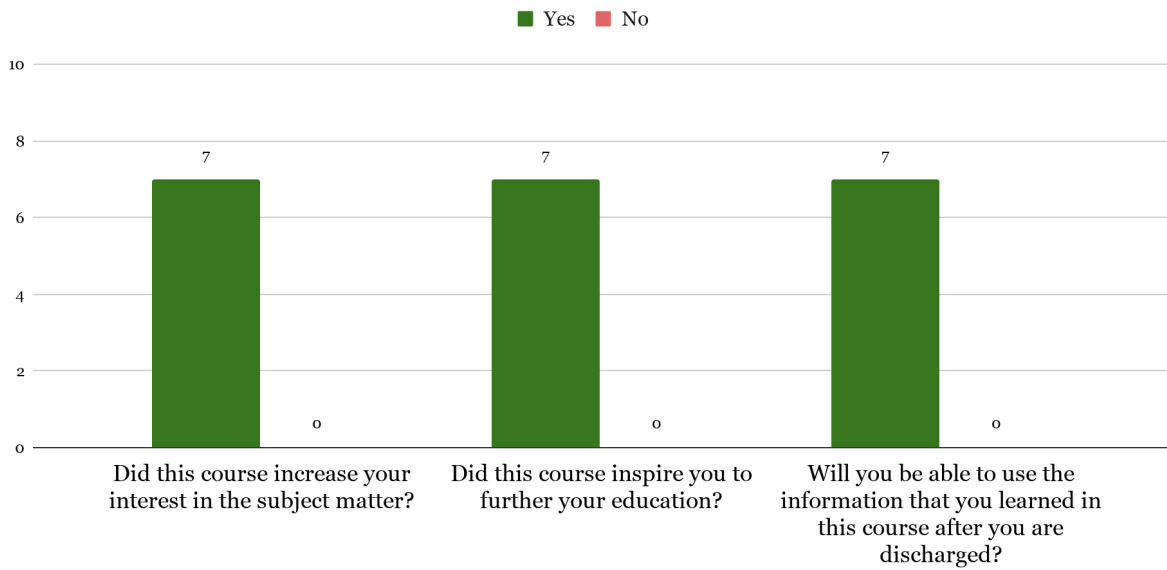

Madera Youth Correctional Center: Introduction to College Success (Spring 2026)

Post-Course Comments

- The class is nice and educational. I am able to get along with the facilitator.
- I enjoyed this course. It taught me to further my conversation and also helped me help others with what I learned.
- I learned a lot through this project and it inspired me to get a higher degree.
- The food and program was good.
- The program and the life skills are good and useful in life.
- It helped me understand the importance of school. I learned what I need to do such as schooling and work, and also the gross pay and net pay.
- It was a great course.
- I like how everyone was so understanding! I like the people.
- Good and helpful
- It was a good course, I really feel like it helped me.

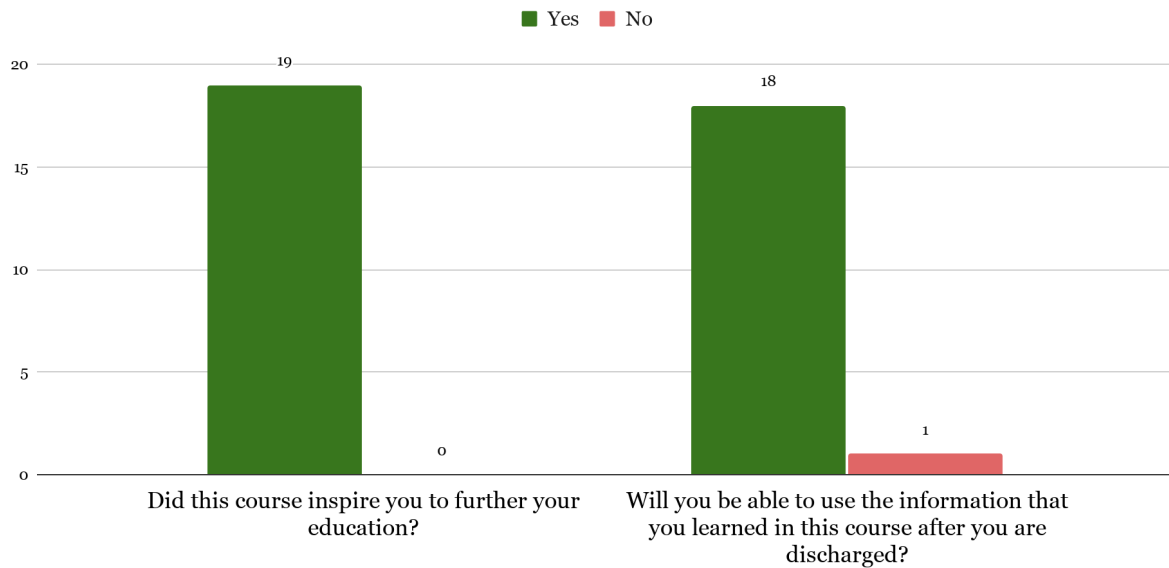

Madera Youth Correctional Center: Introduction to Social Networking (Spring 2026)

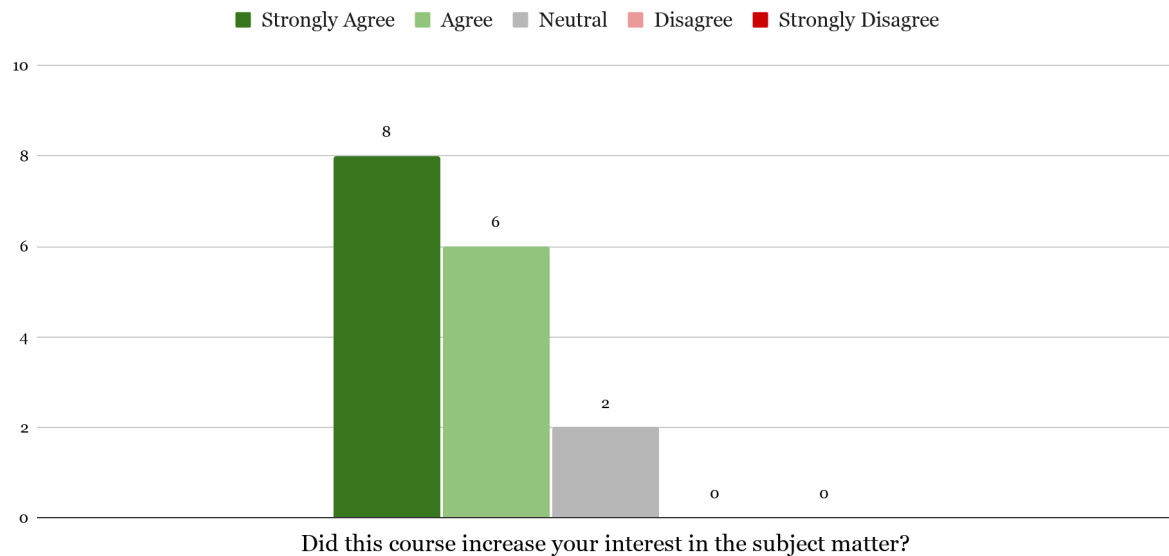

Post-Course Comments

- The course made me learn a lot about my business and gave me a different perspective.
- It has helped me understand the type of relationships that I need to build and keep.
- I liked it. My boy Connor is a cool dude. Also, Daisy is very cool but Connor's the star of the PEP. He made me want to do better.
- It is a cool course.
- Good, helpful, inspiring
- I enjoyed the subject. Very interesting, very productive

Fresno Juvenile Justice Camp: Introduction to Public Speaking (Spring 2026)

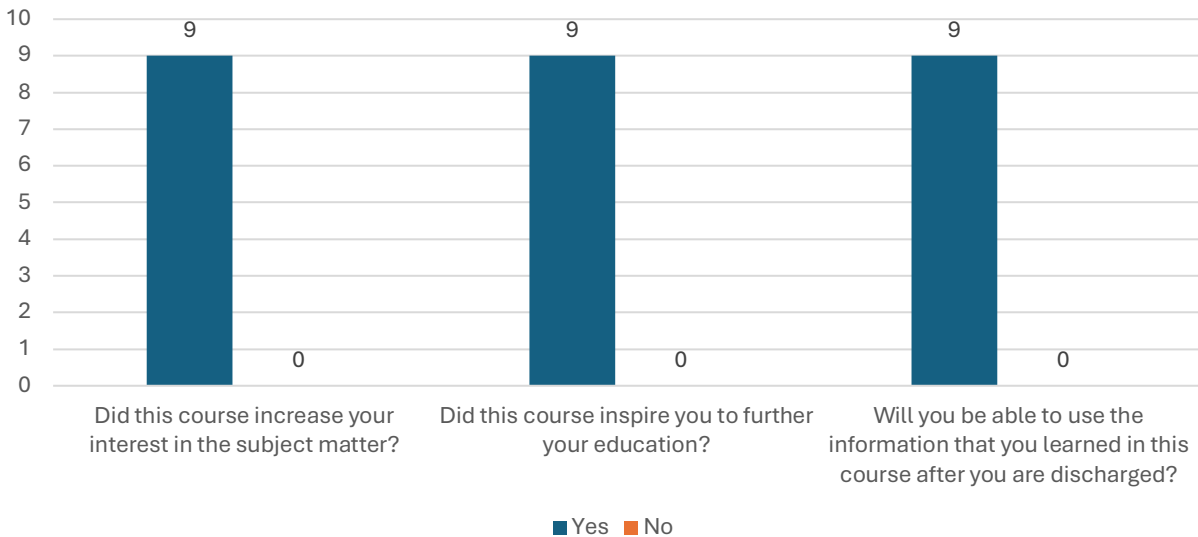

Fresno Juvenile Justice Campus: Introduction to Public Speaking (Spring 2026)

Post-Course Comments

- It's good.
- I think it was a cool course.
- Good.
- I think it was good and I'm sure that I've learned a lot with it.
- It was a good lesson.
- I think it was a cool course.
- It was good.
- It's a good course and teaches me a lot.
- The course has helped my overall speech in front of people.
- I think the course gave me a better look at certain topics. I feel like this course benefited me during my time attending.
- It was interesting, kept me engaged.
- It was a good course and I'll do it again.
- I loved it. A+++
- It was great, I could use this in real life situations.
- It taught me a lot.
- Very good
- This course was helpful because being able to speak publicly will get you far in life.

Tulare County Juvenile Detention Facility Introduction Social Networking

Post-Course Comments

- I can implement what I learned in daily conversations. Very helpful.

- I've been doing PEP for two years now. It has helped me over the time I've came. I've learned a lot and now want to apply what I have learned when I come home. Thank you for doing what you do. I look forward to seeing what's next for this group!

- I enjoy learning more about human interactions!

- It helped me know more about social networking.

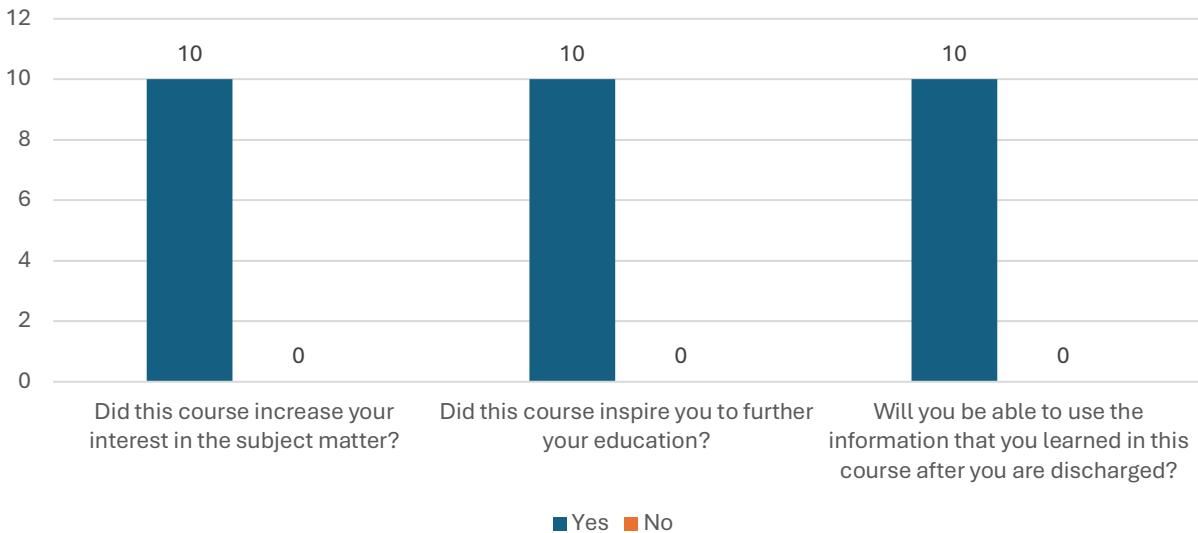

- Helped me better prepare for personal interactions upon future release.

- My overall comments about this course would be that I've really learned things I didn't even know and honestly gave me a whole different perspective of it. It was a good course.

- Social networking is going to be very useful in my everyday life and I enjoy doing it!!

- This can help me later in life and when communicating with other people when I go into college.

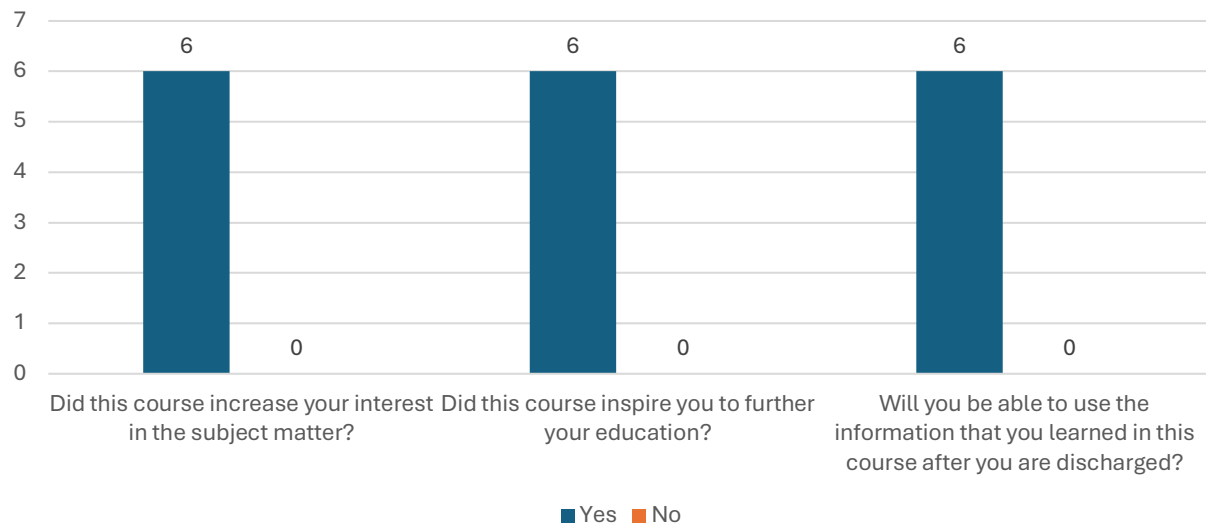

Tulare County Juvenile Detention Facility Introduction to Law

Post-Course Comments

- I enjoy every course. It makes me open minded about every college class.
- It was helpful. I could definitely use the skills I learned in real life experiences.
- Very interesting and helpful. Helpful as well, especially for future careers.
- I like this course because it helped me understand that laws I never knew.
- This really helped due to me being in my own circumstances at this moment helped me learn different laws. Overall, another good course.
- It is very helpful and I enjoy learning something new every Saturday.
- It helped me know that if you were a minor when you caught your case and you get out to apply for a job, they can't really judge you off your past.

Monterey County Probation Youth Center Introduction to STEM Fields

Post-Course Comments

- My comments about this course are that teachers really made me understand a lot of it.
- I think that this course was very interesting.
- It was a good class.
- Nothing at all. It was perfect.
- I like the class and hope to do it again with more subjects.
- I loved the course. I liked the teachers and I learned a lot and I talked to a person who worked at WASA and it inspired me.
